Citation Guidance for National Forensic Laboratory Information System (NFLIS) Publications

The U.S. Drug Enforcement Administration (DEA) appreciates the use of appropriate citations for its publications. This guidance provides suggested citations for sources across the various National Forensic Laboratory Information System (NFLIS) publications.

All material appearing in NFLIS publications and on the DEA’s website are in the public domain and may be reproduced or copied without permission from the DEA. However, publications may not be reproduced or distributed for a fee without the specific, written authorization of the DEA within the U.S. Department of Justice.
